CHASE CITY SCHOOL WINS FROM MISCELLANEOUS TEAM

Chase City, Va., April 27.—Outplaying their opponents in every department of the game, the swift team of the Chase City High School defeated the South Hill ball team, composed of school boys, ex-students and business men, and thus added another to their unbroken string of victories. What gave promise of being an even and interesting contest in the earlier inulias, was transformed into a farce by the crude decisions of Umpire Rodden, and the poor defensive work of the South Hill infield, which could not prevent the speedy Chase City lads from stealing at will. Chase City took a strong lead in the second, which she never lost. Allen held his opponents scoreless for three innings, when he weakened slightly. He was replaced by Saunders in the seventh, who struck out five of the ten who faired him, and allowed only one scratch hit. The score:
